Dear Parents/ Carers,

I can't believe we've reached the end of the year already! We've had such a productive year, and here are my highlights:

Forest School enhancing our curriculum; our brilliant 'being a parent' course; excellent phonics results and an increased number of children across the school at age related levels; a huge range of trips; increased attendance; and more children than ever in smart uniform, on time and ready to learn. Have a great Summer, and I look forward to continuing our journey with renewed energy in September. In the meantime, be proud of everything you and your children have achieved.

Mr Maloy
